RE: Transfer from Primary System to Secondary System

Dear Mr. McCulla:

Due to relocation and construction on Route 28, Project 0028-030-111,C501, the Virginia Department of Transportation intends to transfer a portion of the old location of Route 28 from the Primary System to the Secondary System of Highways. This letter hereby provides notice of the Department's intention under § 33.1-35 of the Code of Virginia.

The portion to be transferred is shown on the attached sketch and described as follows:

| <u>Segment</u> | <u>From</u> | <u>To</u> | <u>Length</u> |
|----------------|--------------------------------|-------------------|---------------|
| Segment J to K | Old Route 602 (new Route 1148) | Route 610 | 0.08 |
| Segment K to L | Old Route 602 (new Route 1148) | 0.17 M NE of 1148 | 0.17 |

We are in the process of preparing a resolution package for the sections that need Board of Supervisors action or requested concurrence. If you have any questions, please give me or Mrs. Kim Yeatman of my office a call at (540) 347-6441.

Sincerely,
